

OUT-OF-SPECIFICATION (OOS) QUALITY INVESTIGATION REPORT

QUALITY CONTROL LAB REPORT | INCIDENT REF: OOS-2026-1108

Reporting Facility	AIVOA Central Testing Laboratory
Customer / Plant	Sun Pharma Manufacturing Division
Product Name	Paracetamol Tablets
Product Strength / Grade	650 mg
Batch / Lot Number	PCM260519X
Manufacturing Date	2026-05-19
Expiry Date	2029-05-18
Quantity Affected	120,000 Tablets (1 Commercial Lot)
Investigation Type	Dissolution Rate Out of Specification
Date of Testing	2026-07-18

DETAILED COMPLAINT / INVESTIGATION SUMMARY:

Routine stability sample testing for Paracetamol 650mg tablets (Batch PCM260519X) showed dissolution rate Q=68% at 30 minutes versus release specification Q >= 80%. Phase 1 laboratory investigation ruled out analyst error and instrument calibration failure. Root cause assigned to binder concentration variation during wet granulation process.

Approved by Head of Quality Control - AIVOA QMS Systems
